Dear Valued Customer

Re : Import Service Charges

All shipments requiring a release from U.S. Customs will be subject to an import charges.

Storage charges will be assessed for any shipment not removed from our premises within two calendar days after 8:00 AM of the day of arrival.

These charges will be basically calculated at \$5.00 per 45KG (rounding up to the nearest 45kg increment) per day.

Minimum charge by station can be found below.
