

【Attachment】 Fuel Surcharge Table

Level	Benchmark Fuel Price	TC1/2	TC3 Long haul route (other than right)	TC3 Short haul route (Hong Kong, China and Korea)
	(USD/BBL)	Surcharge (¥/kg)		
5	55	¥37	¥31	¥26
4	50	¥30	¥25	¥21
3	45	¥23	¥19	¥16
2	40	¥16	¥13	¥11
1	35	¥9	¥7	¥6
0	30 or less	To be abolished		

- ◇ Revising date of surcharge
Implement date of revision to be settled either from 1st or 16th of each month.

- ◇ Conditions for setting, revising or abolishing surcharge
NCA will file an application with the Ministry of Land, Infrastructure and Transport when the price of Singapore kerosene constantly exceeds/fall below the benchmark fuel price for a certain period of time, set at 14 consecutive business days.
When to revise surcharge from 1st date of month, NCA to apply the fuel price level of 20th date of prior month, and when to revise surcharge from 16th date of month, NCA to apply the fuel price level of 5th date of the same month.

- ◇ Conditions for reduction or abolition of surcharge
 - In case the price runs below **USD60.00/bbl** for 14 consecutive business days, the price will be reduced to **¥37, ¥31 and ¥26**.
 - In case the price runs below **USD55.00/bbl** for 14 consecutive business days, the price will be reduced to **¥30, ¥25 and ¥21**.
 - In case the price runs below **USD50.00/bbl** for 14 consecutive business days, the price will be reduced to **¥23, ¥19 and ¥16**.
 - In case the price runs below **USD45.00/bbl** for 14 consecutive business days, the price will be reduced to **¥16, ¥13 and ¥11**.
 - In case the price runs below **USD40.00/bbl** for 14 consecutive business days, the price will be reduced to **¥9, ¥7 and ¥6**.
 - In case the price runs below **USD35.00/bbl** for 14 consecutive business days, the system will be **abolished**.
