NCA renews IOSA Certificate

Safety Audit Standards for International Flight Operations Achieved

On October 17, 2011, Nippon Cargo Airlines (NCA, Headquartered in Narita-shi, Chiba; President Tetsufumi Otsuki) renewed IOSA certification, an international auditing program that recognizes operational safety that is managed by IATA.

By satisfying IOSA's exacting standards for its safety management system and operations, NCA is again internationally recognized as an airline that has a high level of operational safety.

NCA will further efforts to ensure operational safety and improve the quality of its cargo transportation services.
