Nippon Cargo Airlines Co., Ltd.

Dear Valued Customers,

Revision Plan of IATA Resolution 600b

This is to inform you that IATA Resolution 600b will be revised in accordance with the amendment of "Convention for the Unification of certain rules for international carriage by air (Montreal Convention)". The details are as follows:

1. Planned Effective date

December 28, 2024

2. Planned Revision

Change in the liability limit for carriage of cargo

Current: 22 SDR per kilogram

New: 26 SDR per kilogram

3. Hard copy air waybills previously distributed

Neutral and pre-printed air waybills distributed earlier are valid after application of new liability limit. The new liability limit, 26 SDR, shall automatically apply to cargo of which air waybill is issued on and after December 28, 2024.

4. Others

Should you have any questions, please feel free to contact NCA offices.
