

October 2022

Revised Import Warehouse Tariff at Narita Airport.

(Warehouse handling charge and cargo storage charge)

Dear Valued Customers,

We would like to express our sincere gratitude to your continued support for NCA.

Please be informed that NCA will revise its import tariff at Narita airport. The revision to the warehouse handling charge and cargo storage charge will be applied as specified below;

**1. Effective date:**

December 1, 2022.

Applicable for cargo delivered from the NCA warehouse from December 1, 2022.

**2. Revised contents:**

aa) Charge revision

- Import warehouse facility usage charge
- Storage charge for general cargo
- Igloo/palletized cargo break down charge
- Special measures and handling

bb) Discontinuance of service

- In case of using additional forklift for such as oversized cargo loading.
- Feeding charge
- Dog walking & dog cage cleaning

※For details, please refer to attached document and our HP.

**3. Applicable flight:**

All flights handled at the NCA warehouses at Narita Airport.
